

Memorial For Cyril Whaley

Cyril Whaley served as a crossing guard at the intersection of Pinedale and Mullin for 18 years, keeping generations of children and adults safe. Blessed with the smile and good nature regardless of weather or time of day - Cyril was a delight with his parting comment of God bless.

To remember him, we want to put a permanent memorial of a park bench dedicated to Cyril's memory in Sheldon Park overlooking the playground.

Our fundraising goal is \$3,600 as requested by the City of Burlington for the park bench. (Please note this is not tax deductible)

Donations Can Be Made In Two Ways
